IT'S THE KRISS-O SHOW FO' SHO', AND IF YOU DON'T KNOW NOW YOU KNOW!

The Kriss-O Show is sweeping the nation, and is expected to be the most watched show to hit the internet!

Toronto, Ontario (SEI Records) April 1 2008: Introducing The Kriss-O Show, hailed as the epitome of pop culture, The Kriss-O Show is a mix of reality and fantasy. Cameras follow Kriss-O and her friends on her many wild, glamorous, low-down dirty, and hilarious adventures.

Kriss-O is one of those rare people who can do it all. She sings, dances, acts and even writes a variety of different materials. To complete the package, she even designs her own clothing! These are only a few of the reasons why The Kriss-O Show promises to be one of the freshest and most outrageous new programs in years.

Viewers should also expect to see regular appearances by celebrities, photographers, singers, models, DJ's and other artists.
